Foreword

Write copy . . . meet deadlines . . . listen to complaints from students, just to mention a few of the problems that arise while composing a yearbook.

From the variable panorama of school life, an attempt has been made in the 1959 Yellow Jacket to present the high spots in such a way that each student may now, and in the future, recall his own personal relationship with the events of the year.

Such an objective may be thought of as impossible to attain, but if the activities are recorded, friendships confirmed, and memories reflected, the staff might say it has achieved its purpose.

Alma Mater

Hail to thee, our Alma Mater,
School we love so dear,
With our friends and fellow comrades,
We spend our happy years.
Though we leave we'll always cherish
Memories old and new,
Hail to thee, our
Denison High School,
We are all for you.

Administration Building

Keeping the many records of the Denison schools straight is an almost endless job which keeps Mrs. Maxine Gentry busy in this ultra-modern office.

Mrs. Ruth Brigham, cafeteria supervisor, goes over the reports of the preceding week with one of the individual cafeteria managers.

Dedication

They did not seem the best when they were here, but now let us pause, close our eyes, and reminisce.

Though we may not admit it, now or later, we really did enjoy our classes. Remember the fellowship that enhanced us? As if the exams were not enough to worry about, we had to wade through tarantulas and earthworms in biology. The results of our speech tournaments were not always what we had hoped for, but we could not have had more fun, and each of us came back a much better individual. Never! But never will any of us forget our enthusiastic pep rallies and football games.

Little did we appreciate then the years that were the forerunners of stability in our future lives. We eluded many of the privileges offered us. Now we know that all through these wonderful years we all came to one place . . . for one purpose . . . a better education.

So in sincere appreciation to all the teachers, school friends, and everyone else who made them so livable and so wonderful we dedicate the 1959 Yellow Jacket to "The Best Years of Our Lives."

Student Council

The main objective of our Student Council was to co-ordinate all school activities. This is an organization in which all students take part through homeroom representatives.

Outstanding projects of the Council were the sponsoring of "Howdy Week," publishing student directories, directing special school projects, and planning assembly programs.

Other worthwhile undertakings were giving morning devotions, promoting safety campaigns, and encouraging better sportsmanship.

Basketball '58-'59

This year Coach Bill Long fielded a rather inexperienced quintet of cagers, having only two lettermen back from the previous season. Due largely to this inexperience, the Jackets were picked to wind up in the cellar of District 7-4A. However, they started off non-conference play on a note that promised better of them.

On December 12 and 13, Denison, inviting teams from Durant, Norman, and Mc-

Basketball '58-'59

Alister, Oklahoma, and Tech. of Dallas, Greenville, Gainesville, and Sherman, Texas, played host to a 10-game tournament. Powerful Norman won the championship.

At press time, the Jackets had failed to post a district win, despite Herculean efforts against Sherman and Highland Park. Speedy Denton, picked to win second in the conference, and Garland, picked to win third, decisively defeated Denison on its own court.

ROW 1: Jim Crenshaw. SECOND ROW: Jerry Holder, Phillip Scoggin, Jerry Hatfield, Jan Kelly. THIRD ROW: Jim Freeman, Charles Covington, Jim Fitzgarrell, Mike Goldson.

The B-Team had only a fair season this year, but showed tremendous drive and ambition. Counting some great prospects, next year should prove to be a most eventful season. With practice and perseverance, the boys can develop into one of the best basketball teams D.H.S. has ever had.

B-Team Basketball

Jim Fitzgarrell watches as Jan Kelly shoots.

FIRST ROW: Jean Whitted, Yvonne Fritts, Anna Langston, Karen Hesse, Donna Williams, Sandra Smith, Lois Bible. SECOND ROW: Margaret Hempkins (Manager), Patti Jones, Linda Skaggs, Patricia Hoedebeck, Mary Drumb, Mary Johnson, Modena Burns, Elayne Maxwell, Reba Jones, Yvonne Waller (Manager).

The team enjoyed a successful season, winning one-half of their games, reaching the consolation finals of two tournaments, and defeating Sherman for the first time in history.

Starting forwards, Mary Johnson, Linda Skaggs, and Reba Jones, shared scoring honors and had excellent team-work. Guards Pat Hoedebeck, Mary Drumb, and Elayne Maxwell formed a solid defensive unit.

Girls' Basketball

Mary Johnson, Reba Jones, and Linda Skaggs helped to make the Denison vs. Irving basketball game one of the most exciting games of the year.

Boys' Tennis

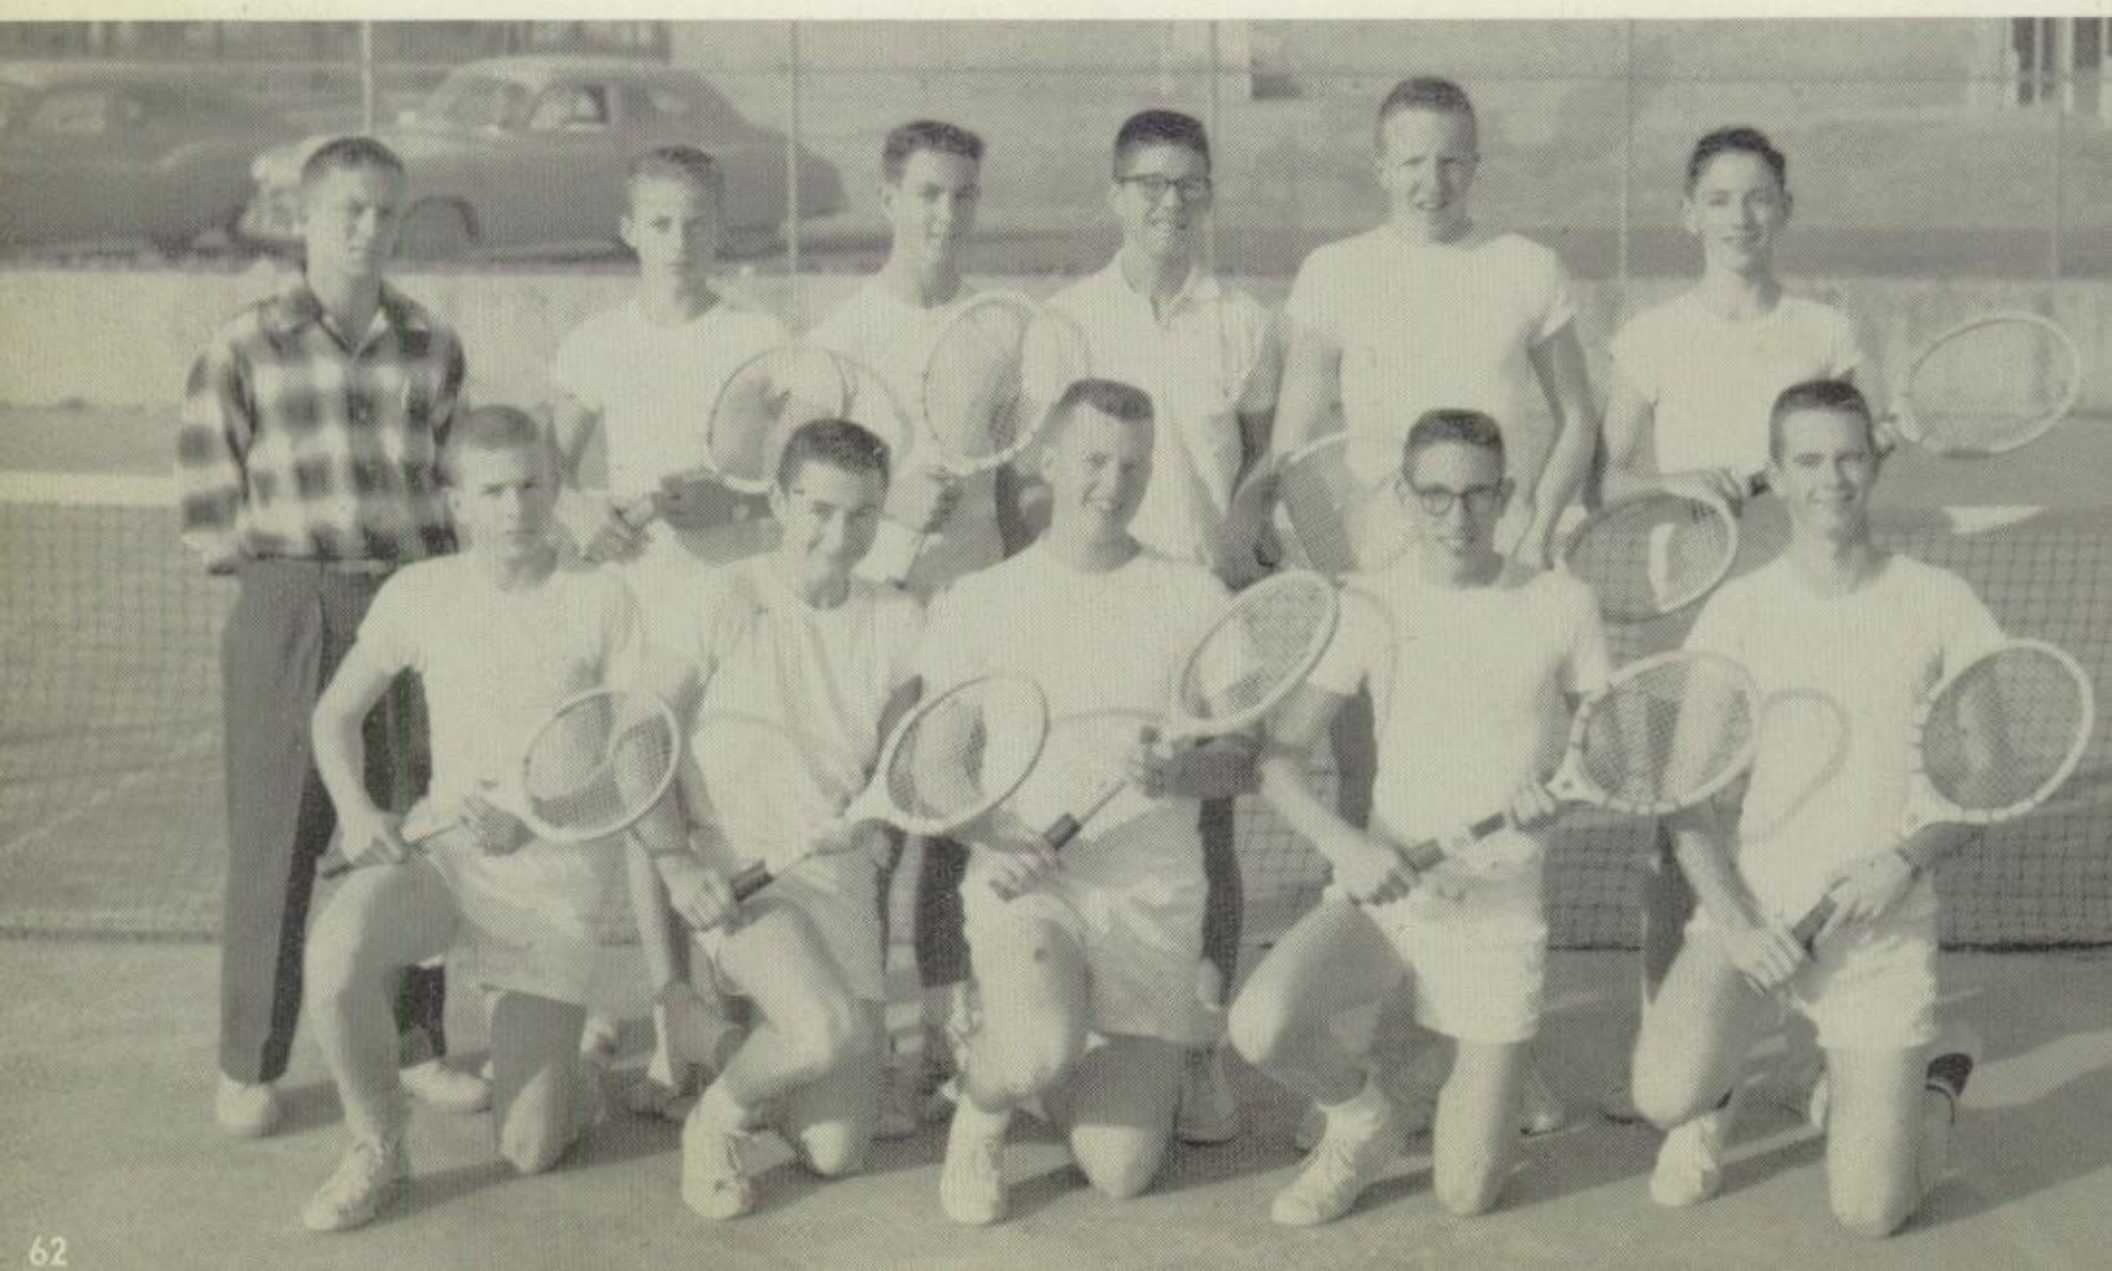
LETTERMEN

Dewayne Cooper, Claude James, Albert Clymer, Jim Wells.

"Anybody care for a little tennis?"

Last September ten boys reported for tennis, each determined to make the team. This group was composed of five sophomores, three juniors, and two seniors, with none of the boys having lettered before this year. In looking for experience, Coach Dye scheduled several matches, none of which were lost. The team climaxed its season with the District Meet.

FIRST ROW: Alton Redwine, Dewayne Cooper, Jim Wells, Harmon Goins, Gene Mason, John Munson, Hal Reddick, Charle
Claude James, Albert Clymer. SECOND ROW: Coach Dye, Middleton.



Girls' Tennis

SECOND YEAR TENNIS GIRLS

Modena Burns, Mary Johnson, and Elaine Maxwell.

"WOW!"

The girls' tennis team played several practice matches earlier this year.. The girls practiced during the fifth period each day; and if the weather permitted they practiced after school and on Saturdays. They ended their tennis season by entering in the competition at the District Meet in Denton.

FIRST ROW: Karen Hesse, Donna Williams, Mary Johnson, Anna Langston. SECOND ROW: Patti Jones, Elayne Maxwell, Jean Whitted, Sandra Smith, and Modena Burns. Not shown: Laura Rains and Charla McCoy.

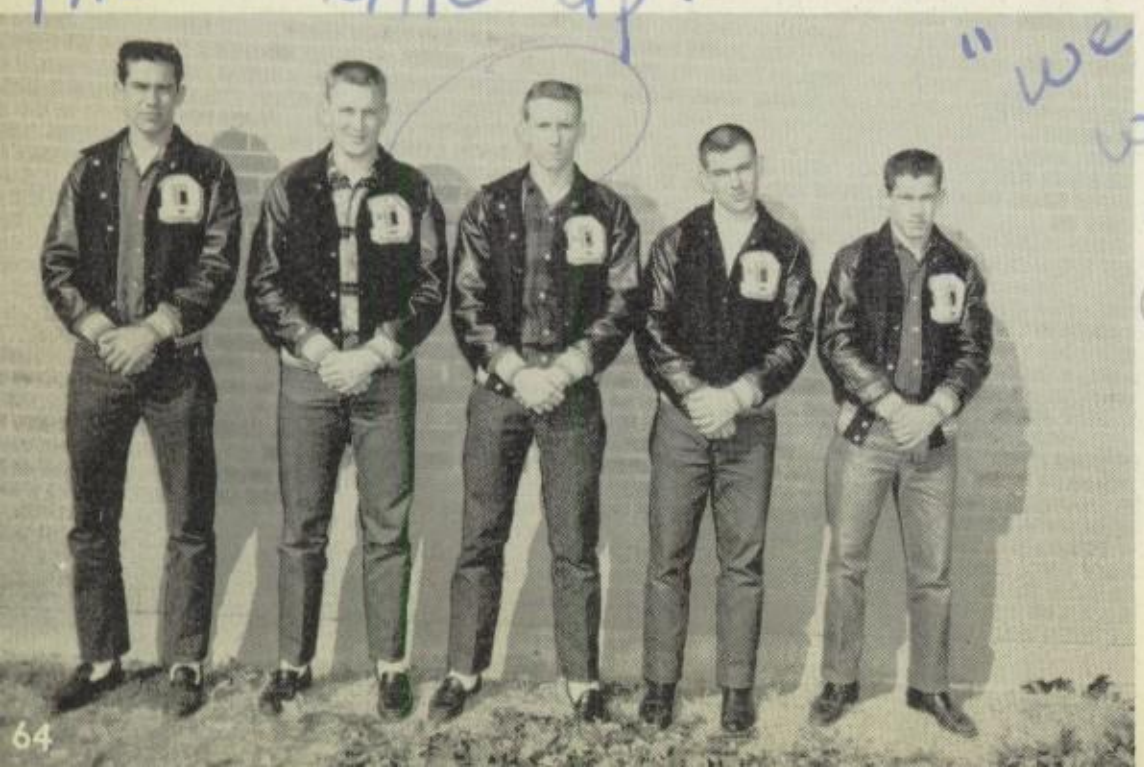
FIRST ROW: Jimmy Cassell, George Payne, Chick Martin, Jan Kelly, Robert Hurley, Donald Stapp, Mike Testa, James Hester, Jim Hightower, and Gene Barnhill. SECOND ROW: Harold Ballou, Mike Nix, David Neal, Phillip Scoggin, Hubert Dophied, Ken Wallis, Louie Swayne, Jimmy Wilson, Joe Laughlin, Lonnie Knowles. THIRD ROW: Tommie Barnes, Charles Mauk, John Warriner, Ronnie McHam, Dayton Adams, Charles Lummus, Garry Guilloud, Travis Shields, Roger Shires, Mike Gholson. FOURTH ROW: Jim Freeman, Paul Burnett, Paul James.

With seven experienced players from the previous season, Coach Charlie Jackson expected a very eventful season from his baseball team. In preparation for their first game, the boys started working out immediately after basketball season was over.

Baseball

THE Line up.

"we didn't take the wardens glasses. He we didn't." (NUMBER 3 DID it!)



The 1959 baseball team centered around these lettermen, who had made a good showing for themselves last year.

FIRST ROW: Paul Parky, Tom Anderson, Larry Guilloud, Sonny Allison, Larry Oliver, Bryan Powell, Jan Blassingame, Robert Beckham. SECOND ROW: Perry Weaver, Mike Testa, Jerry Hatfield, George Synder, Garry Goodgion, David Atkins, Jerry Holder, George Morrow, Bobby Pearson, David Donowho, Lemuel Cook, and Bobby Hatfield.

The above boys were getting ready for spring track drills at the time the picture was taken. Although it had not yet been determined which of the boys had made the team, each one was still trying hard for a place on it. The track team climaxed its season with the district meet in Denton.

Track

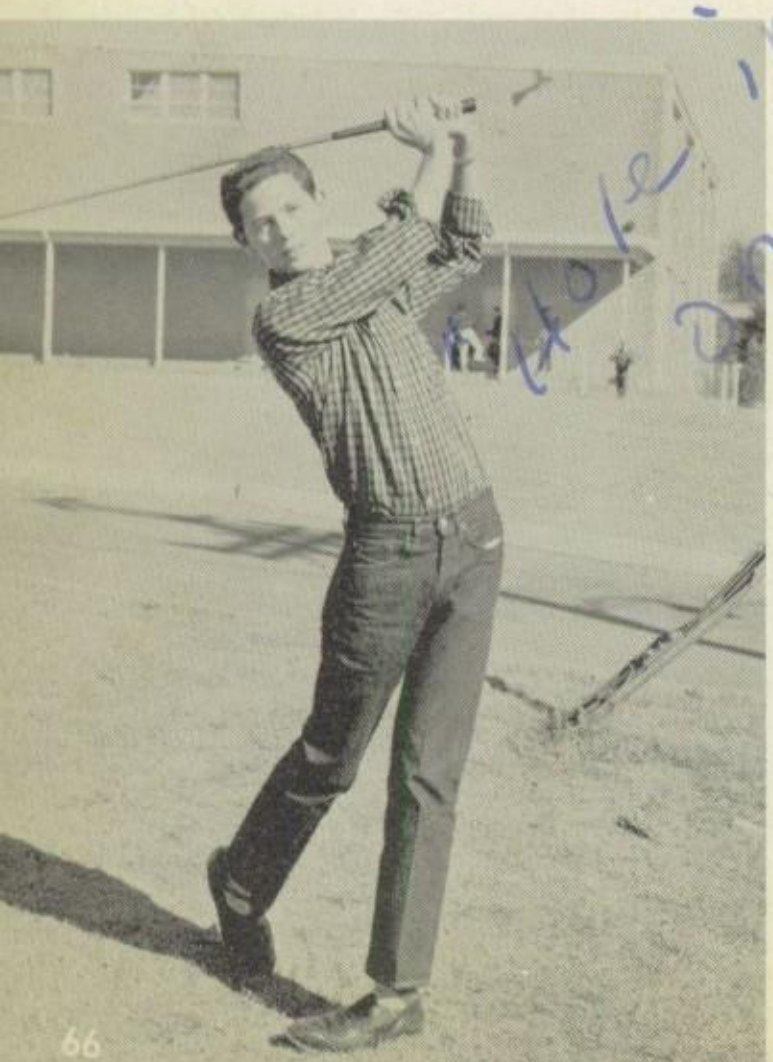
"And we're ready."

David Donawho and Robert Beckham prepared for a wind sprint as George Morrow and Garry Goodgion watch.

Jim Fitzgarrell, Mike Byrd, David Thomas, James Hester, Archie Dean, Ronnie Brooks.

The golf team this year looked as if it might have some very promising prospects. At the time the picture was taken, the official team had not been chosen, but it was to be selected from this group.

The boys practiced at 2:30 every evening, and will be divided into four regulars and one alternate.



Golf

Ronnie Brooks, the only senior on the golf team, demonstrates a long drive. Ronnie has won two letters in his two years on the team.
